THERE IS ONLY ONE  
*Plasticville, U.S.A.*  
(THE ORIGINAL)

Bachmann Bros., Inc., manufacturers of Plasticville, U. S. A., was one of the first companies in the country to manufacture plastic products. They were established in Philadelphia in 1833 and have an enviable reputation for their integrity built up over a span of 122 years doing business from coast to coast. Their personnel is composed of craftsmen with many years' experience in the manufacture of plastic products, each a specialist in his line of endeavor. This, with the most modern of molding equipment accounts for the simplicity and sturdiness of construction together with the beauty of design of each unit of Plasticville, U. S. A.

Other nationally distributed products of Bachmann Bros., are the famous SOLAREX scientific SUNGLASSES and PART-WARE products for birthdays etc.

#### **ALL-YEAR-ROUND CONSTRUCTIVE FUN**

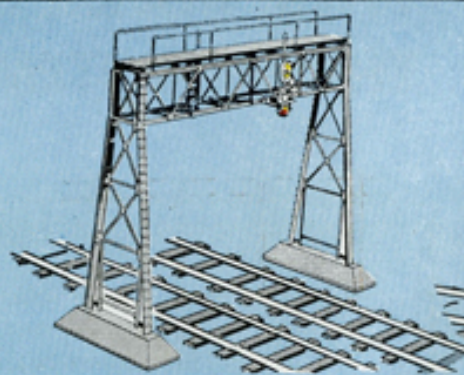

Plasticville, U. S. A. is educational and entertaining for children; important too for the adult builder of model railroads. The units fit perfectly into the scheme of any model country-side or village, being built to scale for model railroad set ups. New units are constantly being added, making Plasticville, U. S. A. a necessary part of every "pike."

# ELECTRIC REVOLVING DISPLAYS

## SR-27 ELECTRIC REVOLVING DISPLAY (Call Me "Senior") FOR COUNTER AND WINDOW DISPLAY

An eye arresting revolving display to sell—your Plasticville, U.S.A. line. The striking Christmas-tree motif makes this a real attention getter as well as a fine sales aid for the retail sales personnel.

The complete SR-27 consists of a lithographed cardboard 4 tier display, electric motor and turntable with standard length attachment cord and 27 of Plasticville's finest volume numbers including the new surprises for 1955. (WORKS ON AC CURRENT ONLY.)

The aggregate retail value of the displayed Plasticville, U.S.A. is \$27.00. The individual buildings are assem-

bled but not glued to the display platforms, which makes this a self-liquidating deal for the retailer. At the end of the selling season, the display pieces can be sold and the turntable used to display other merchandise.

The SR-27 comes completely assembled. The retailer simply lifts it out of the packing case and sets it up on the counter or in the window. The overall dimensions are 28" by 28" and 46" high. The SR-27 requires a revolving area of 35" diameter. The weight of the complete shipping carton is 25 lbs.

NOTE: The SR-27 will be drop-shipped direct to the retailer. This item cannot be forwarded via Parcel Post.

## JR-19 ELECTRIC REVOLVING DISPLAY (Call Me "Junior") FOR WINDOW OR COUNTER DISPLAY

A popular small replica of the famous Plasticville, U.S.A. revolving "Senior" display. Brilliantly colored, this electric revolving display "shows off" to perfection 19 top volume Plasticville items, including the new surprises for 1955.

The JR-19 consists of a 3 tier litho cardboard display, an electric motor and turntable with standard length attachment cord and 19 Plasticville items. (NOTE—THE MOTOR RUNS ON AC CURRENT ONLY.)

The JR-19 comes completely assembled. Weighs approx. 20 lbs. and requires only 27" of revolving area. The JR-19 is 27" by 27" and 31" high.

The retail value of the merchandise is \$17.00 which makes the JR-19 display a self-liquidating deal. The merchandise plus the electric display insures not only top volume but a profit on the display.

NOTE: The "Junior" will be drop-shipped. It cannot be forwarded via Parcel Post.
