# O SCALE PLASTICVILLE U.S.A.

The extra accessory that adds just the right touch to all O Scale layouts. This best selling assortment includes quick and easy-to-assemble building kits that snap together with pre-colored parts that require no painting. For use with Lionel and all other O Scale layouts. The perfect complement to the O Scale Plasticville, U.S.A.® series is the Plasticville, U.S.A.® Scenic Classics series. These complete kits include the building, trees, foliage, grass or even soil. Assembly is a snap! All parts snap-fit to each other and there is no painting required.
